

## A unique approach for tangible, fast results

---

### 1. Small, very experienced Teams

- ▶ Tenure consultants with substantial consultative **and** managerial experience
- ▶ No junior consultants
- ▶ Very close and intense interaction with Management and employees

### 2. Implementation Specialists

- ▶ Strong skills in following through on actions plans and implementing them
- ▶ Result orientation vs. “Report production”
- ▶ Readiness to take over responsibility, e.g. as Interim Manager

## DIFFERENTIATORS

### 3. Broad value creation portfolio

- ▶ We bring specialist knowledge to create company value in the different dimensions ...
- ▶ ... as well track records in substantially increasing company value

### 4. Measurable Results

- ▶ We measure our success in reaching tangible results
- ▶ Early definition of tangible targets
- ▶ Consistent and continuous monitoring of results
